DMSAS will award the stipend through the School of Architecture who will oversee its direct dispensation. Travel to/from Washington, DC and housing & living expenses are at recipient’s expense.
SCHOLARSHIP/INTERNSHIP
2018 CALL FOR ENTRIES

This scholarship is awarded annually to a graduate student who has successfully completed the ARCH 600/611 sequence. In addition to the scholarship, recipients are eligible for a summer internship at Design Collective’s Baltimore office. This is a two-stage process. The Architecture Program Scholarship Committee will nominate three candidates for the Scholarship to Design Collective. Design Collective will make a final determination on the award.

Design Collective is a Baltimore based, award winning multi-disciplinary design firm with a diverse portfolio of successful projects throughout the United States and abroad. The firm offers expertise and national leadership in the disciplines of architecture, planning, urban design, landscape architecture, interior design and sustainability, ensuring comprehensive design solutions.

2018 JACK SMITH KERXTON MEMORIAL SCHOLARSHIP

The Jack Smith Kerxton Scholarship Fund was established in March 1994 by Barbara (Cookie) Kerxton, the Fund Committee (various relatives, friends and business associates of Jack Smith Kerxton), and Torti Gallas + Partners. The fund provides scholarships to students enrolled in the School of Architecture. Graduate students who have completed the ARCH 600/611 course sequence are eligible.

The criteria for making an award shall be 1) good academic standing, 2) leadership and responsible citizenship qualities, 3) talent and creativity, 4) any other criteria which may include financial need, as determined by the Awards Committee. The Awards Committee also endeavors to make an award to a student who may be available to accept a paid internship with Torti Gallas over the summer. Availability of the student to participate in the internship may be a factor in making the award. However, the internship shall not be an absolute requirement for making an award, especially in those instances where awards are made to more than one student during any school year.

The Architecture Program Scholarship Committee will make a preliminary determination and advance at least three nominees to the Kerxton Awards Committee. The Kerxton Awards Committee will consist of three members, consisting of one representative each, from the Kerxton family, Torti Gallas + Partners, and the School of Architecture. The Kerxton Awards Committee will interview each of the nominees prior to making a selection.

The approximate value of the Jack Smith Kerxton Scholarship is $5,500.00, plus the paid Summer Internship.
